Don't forget to register to attend the 2008 Student Career Forum Networking Reception at the Design Center Galleria, from 4:30 to 6:30 pm.

For just an additional \$5.00 you can join other forum attendees for a late afternoon chance to hob-nob with professional designers, rub elbows with event volunteers, meet some of the featured speakers, and get information about professional design organizations. We will have refreshments and a no-host bar for adult beverages. Stay for the drawing for great door prizes. This is a great way to wrap up the first day of the Student Career Forum!

If you are not already at the Design Center at the end of the day's workshops, buses will be shuttling between the Galleria and the Mart starting immediately after the last workshop. You can leave your car within the vicinity of the Mart so you can ride the bus. *If you park inside the Mart Garage, be sure to get your After-Hours Exit Card from the garage attendant when you leave your car.* This will enable you to operate the gate at the garage exit. *Or*, parking is also available on the streets around the Design Center.
