- ❖ **Opportunity afterward to talk with professionals in a relaxed, informal setting**

Be sure to join us for the reception immediately after

Hosted by Sierra Select

Hors d'oeuvres

Connect with friends and professionals

This is an opportunity for you to tour several of the Design Center Showrooms on the day before the Student Career Forum. The tours will open with a talk by Christie McRae of McRae & Co. about showroom protocol — she will give you valuable tips on how to work with showrooms. Participants will then divide into small groups for guided tours of a variety of showrooms. Following the tours is a 4 PM reception hosted by Sierra Select — a distributor of sophisticated home appliances, home electronics, mobile entertainment equipment and floor-care products.

This event is limited to the first 50 Forum participants who register for it.
